Paving Operations Scheduled in Both Directions Next Week on Glassford Hill Road

Starting Monday, September 25, crews will be paving the southbound lanes of Glassford Hill Road behind the existing barrier. Then crews will shift the work zone to the inside travel lanes to continue paving in that section.

Additionally, starting on Monday, crews will begin paving the final layer of pavement on the northbound section of Glassford Hill Road between Florentine Road and Main Street, including turn lanes. As a result, drivers should anticipate single-lane restrictions during this process. To ensure timely arrival at their destinations, drivers are encouraged to allow extra travel time.

Members of the project outreach team are available for those who have concerns or general project questions through the project hotline. The project hotline is monitored daily and can be reached at 928-275-2382.

Please stay tuned for continuing notifications and information on the Town website at <https://www.prescottvalley-az.gov/1356/Glassford-Hill-Road-Enhancement-Project>, Town social media such as Facebook, Instagram and Twitter, Town News, and the OurPV app, available in the App Store. The Town will also make direct contact with businesses and will have a phone line available for information and questions.
