Work zone shifts Tuesday next week on Glassford Hill Road

Crews will continue with paving operations on Glassford Hill Road in Prescott Valley next week. Paving work is scheduled on Monday, October 9 in the existing work zone, behind the concrete barrier from E. Panther Path to Lakeshore Drive. Starting on Tuesday, October 10 crews will shift the work zone from Lakeshore Drive to the north side of Veterans Way in the southbound direction.

Drivers will be restricted to one lane through the work zone and minimal delays are expected. The Town encourages residents to support the businesses along the corridor and through the work zone during construction.

Members of the project outreach team are available for those who have concerns or general project questions through the project hotline. The project hotline is monitored daily and can be reached at **928-275-2382**.

Please stay tuned for continuing notifications and information on the Town website at <https://www.prescottvalley-az.gov/1356/Glassford-Hill-Road-Enhancement-Project>, Town social media such as Facebook, Instagram and Twitter, Town News, and the OurPV app, available in the App Store. The Town will also make direct contact with businesses and will have a phone line available for information and questions as construction begins.
