### **Night work scheduled Tuesday and Wednesday next week on Glassford Hill Road**

Night work is scheduled on Tuesday, October 17 and Wednesday, October 18 at the intersection of State Route 69 and Glassford Hill Road in Prescott Valley, to alleviate major delays at the busy intersection. Crews will be working to mill the existing pavement and fill with new asphalt from State Route 69 to just south of Centre Court in the northbound lanes.

Work hours are 8 p.m. to 6 a.m. each night. Minimal delays are expected, and drivers will experience left turn restrictions and rolling lane closures during work hours. Members of the project outreach team are available for those who have concerns or general project questions through the project hotline. The project hotline is monitored daily and can be reached at 928-275-2382.
