Progress Continues on Glassford Hill Road, Work Zone Shift Wednesday, November 1

As a result of progress being made on the Glassford Hill Road enhancement project in Prescott Valley, crews will shift the work zone between Veterans Way and Florentine Drive on Wednesday, November 1. The work zone will be moved to the inside lanes (closest to the median) in the southbound direction.

Drivers will be restricted with the left turn at Veterans Way, but alternate routes are available. To ensure timely arrival at their destinations, drivers are encouraged to allow extra travel time and plan accordingly.

Please share this message with your staff, customers, and anyone who would benefit from the information. We encourage all drivers to support the businesses DURING and AFTER construction.

Members of the project outreach team are available for those who have concerns or general project questions through the project hotline. The project hotline is monitored daily and can be reached at 928-275-2382.

Please stay tuned for continuing notifications and information on the Town website at <https://www.prescottvalley-az.gov/1356/Glassford-Hill-Road-Enhancement-Project>, Town social media such as Facebook, Instagram and Twitter, Town News, and the OurPV app, available in the App Store. The Town will also make direct contact with businesses and will have a phone line available for information and questions as construction begins.
