Note 1: Par value is also known as the redemption value.

Note 2: Debt securities which are not new issues on the purchase date require the accrued interest earned to date be purchased.

Note 3: The Town classifies its debt securities as held-to-maturity. A debt security should be classified as held-to maturity only if the reporting entity has both (1) the positive intent and (2) the ability to hold those securities to maturity. In accordance with the Town's Investment Policy, securities shall not be sold prior to maturity with the following exceptions; (1) a security with declining credit may be sold early to minimize loss of principal (2) liquidity needs of the portfolio require that the security be sold (3) market conditions present an opportunity for the Town to benefit from the sale.
