

# TOWN OF PRESCOTT VALLEY GLASSFORD HILL ROAD ENHANCEMENT PROJECT Construction Alert

### About the Project:

Work continues on Glassford Hill Road between Veterans Way and Main Street (northbound) and will remain in place, when school starts this week.

The Town of Prescott Valley encourages families, student drivers and the traveling public to plan ahead, allow extra travel time to get to and from school and use caution through the work zone. Drivers are encouraged to be alert for additional traffic through the work zone and be alert for construction personnel and equipment.

The first phase will continue along Glassford Hill Road and until the final paving is complete, travel lanes are uneven. One lane will be open (northbound only) as work continues. Minimal delays are expected and alternate routes are clearly marked throughout the work zone.

The project outreach team is here if you have any concerns, or questions throughout the project.
