

TOWN OF PRESCOTT VALLEY GLASSFORD HILL ROAD ENHANCEMENT PROJECT Phase 1D - 1F Schedule Beginning August 14

About the Project:

Progress continues on the Glassford Hill Road enhancement project. Crews are expected to shift the work zone to the inside left lane north of Lakeshore Drive to Main Street (northbound only). Drivers will be limited to one lane, minimal impacts are expected. The intersection at Lakeshore Drive and Glassford Hill Road will reopen when the new work zone is in place.

Work hours are 7 a.m. to 7 p.m. Monday through Friday. Please use extra caution while in the work zone and be alert for construction equipment and personnel. *The businesses along the corridor are open and we encourage you to SHOP LOCAL and support them during and after construction.*

What to Expect:

The new work zone will be in place and some turning movements will be restricted. Delays and impacts are expected throughout the project but are minimal; allow extra travel time to reach your destination.

The project outreach team is here if you have any concerns, or questions throughout the project.

Once the Project is Complete:

Drivers will experience a new, smooth roadway. We appreciate your patience and cooperation during construction.
